

Dear Fellow Keene Village Home Owner Association Members,

Hopefully, this letter finds you healthy and adjusting to our new reality during the COVID-19 pandemic. Keene Village has always had a strong sense of community with neighbors looking out for each other; whether helping each other with snow removal in the winter, or helping with yard projects in the summer. At this time especially, we encourage you to continue to look out for each other, from offering to pick up groceries for someone who shouldn't be out, or reaching out to a neighbor to ensure that social distancing doesn't mean social isolation.

The purpose of this letter is to pass along information that would have been shared at the KVHA Annual meeting. As you are aware, the meeting was postponed as we were learning about the potential for community exposure to the virus and the Washington State prohibition against large gatherings.

One function of the annual meeting is to elect new board members. In compliance with our By-Laws, board members and officers are elected to a 1-year term. Given the national emergency that we are currently operating under, and the need to conduct ongoing business on behalf of the association, a number of the board members have agreed to continue serving until Governor Inslee's "Stay Home – Stay Safe" order is lifted, with the understanding that we will schedule the annual meeting and return to regular order as soon as is practicable.

Attached to this letter you will find information that would have been provided from the board at the annual meeting, including:

- The Financial Report for 2019
- The irrigation schedule for 2020
- The 2020 annual dues assessment of \$45.00 to cover operating costs (no change from last year)

Regarding the dues for 2020, we realize that the COVID-19 pandemic has caused significant economic hardship for some in our community. If this is the case for your household, please contact a board member, before the due date, so alternative arrangements can be discussed.

At this time, we are not recommending proceeding with the annual garage sale or Yard of the Month for 2020.

The board will re-schedule the annual meeting as soon as the restriction on public gatherings is lifted and we can find an appropriate venue. A notice will be provided via postal mail with the date and time, once they are set. In the meantime, we will continue to post new information on our Facebook page and website.

If you have questions or concerns, please contact a board member. We hope you will continue to stay safe and look out for one another. Thank you for all you do to help Keene Village maintain a sense of community.

The Keene Village Homeowner's Association Board

Please adhere to this every-other-day schedule to ensure adequate water pressure for all.

An even/odd schedule has been adopted to allow longer water times for each homeowner; this adds the benefit of being able to water deeper when water is applied.

This schedule has worked well for a number of years now, but with one caveat; homeowners must not water outside of their assigned time. Watering outside one's assigned time reduces water pressure to your neighbors downstream. Each year, the time slots are moved forward by one watering period as some periods are more desirable that others.

Exception to the schedule: months which have 31 days (May, July, and August) the 31st day may be used to check your system. Please remember to adjust your timers so that you will be back on schedule by the 1st of the next month.

Please locate your home on the attached map to determine your watering days (north is up.) Your cooperation to the schedule (and to your neighbors) is appreciated!

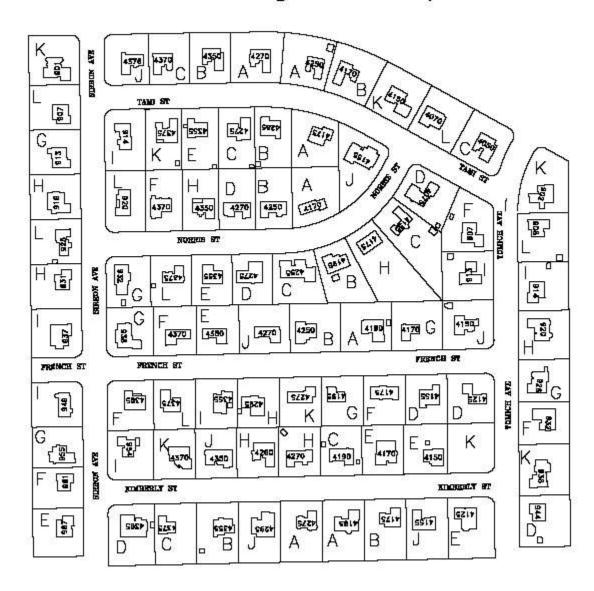

It is anticipated that the irrigation water will be turned on about mid-April. Hopefully we won't have to adjust to the drought conditions of previous years. If this is the case, additional info will be mailed to you and will be posted on the Keene Village Home Owners Association Facebook page (https://www.facebook.com/RichlandKVHA/?fref=ts). Additionally, the KVHA Board will work with the KID to minimize

If you have problems with line breaks, or water delivery, please call KID at 586-9111.

Sincerely,

The Keene Village Homeowner's Association Board
